# Olympic Legend

Derek Redmond

Follow the Flame  
Workshop

## Derek Redmond & Follow the Flame

With the London 2012 Olympics drawing closer Education Group has teamed up with Olympic legend, Derek Redmond.

Derek held the British record for the 400 metres sprint and won gold medals in the 4x400 metres relay at the World Championships, European Championships and Commonwealth Games. However he is best remembered for the 1992 Olympic Games in Barcelona where, helped by his father, he overcame injury to complete his lap - a well remembered moment in Olympic history.

We are offering your school the opportunity to have a visit from Derek, the Olympic legend, to regale the children with tales of his career.

In addition Education Group is offering our new, exclusive 'Follow the Flame' workshop to celebrate the route of the Olympic flame. The workshop focuses on international dance styles of selected Olympic nations and will include a Snap Mosaic of your day.

Our interactive Dance Workshop introduces children to the culture and background of the competing nations. A Snap Mosaic will record the children's exciting day as well as this momentous event for a generation of children in Britain.

For more information also see the Dance and Snap Mosaic flyers.

We are offering this workshop when the flame visits your region on the following days:

21 May 2012	Cornwall, Exeter, Plymouth
