Dear *Matt,*

Westminster Music and Arts Celebration Evening - 18 June 2008

Many congratulations to all the workshop and choir leaders for a fantastic performance at the Emmanuel Centre last week. The quality and range of performance was excellent and we very much appreciated the work that you had done with the pupils beforehand in order to perform to such a high standard.

The evening was well supported by families and friends and we have received very positive feedback about their enjoyment of the event.

We welcome any feedback you would like to give us and will be sending certificates to all performers.

We're already thinking about bigger events next year and in the Royal Albert Hall in 2010. We'll keep you posted.

Best wishes,

Mary
